A quick peek at a few of the show's sharpest-looking new products

▲ The **MAMMUT** Rainer jacket, featured in the new Peaks Collection, commemorates Mammut's 150th anniversary. The Gore-Tex Paclite shell offers lightweight weather protection and utilizes a three-color design with sharp, contrasting color blocks, reflecting the structure of a climbing rope. Also available in women's model as the Erebus jacket. (MSRP \$299) #3013 • www.mammut.ch

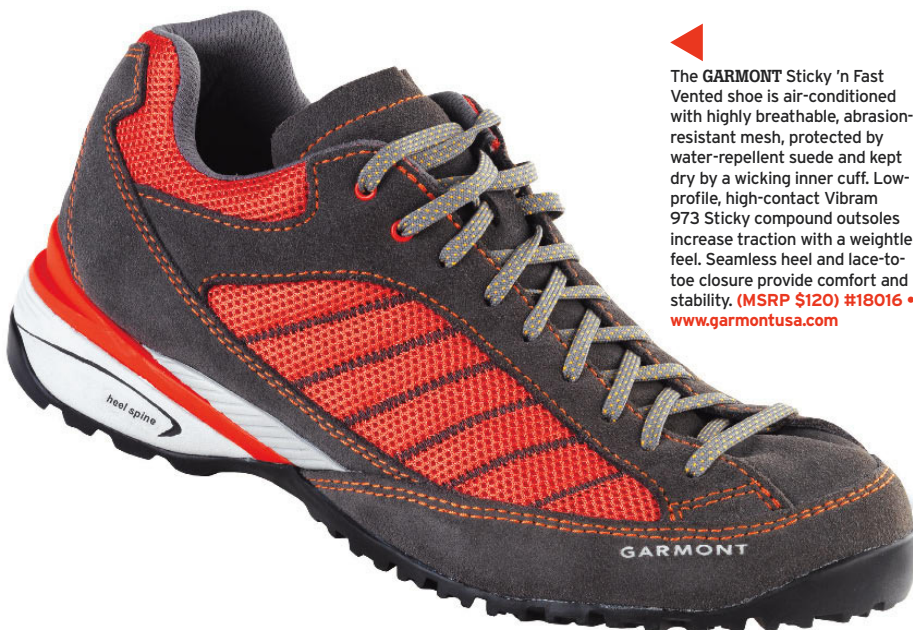

▲ Simple, smart, and clean - the new mountain-focused **ARC'TERYX** NoZone 55 delivers alpine functionality that makes sense. It features the company's new Arc'on suspension system for a comfortable ride in any terrain, plus strippable features and a monoframe construction to reduce sway and slop. (MSRP \$275) #1019 • www.arcteryx.com

▲ The Onyx Series is **ITW NEXUS GLOBAL's** next-generation lightweight product family. It incorporates ITW's signature full-flex mechanics and features a feather-touch assembly and release. A top-exit center bar with X-shaped styling bring the latch color to the center of the buckle. Available in 16, 20, 25 and 40mm. (MSRP dependent on quantity) #39063 • www.itwnexus.com

▲ **KIGO** is footwear for the barefoot lifestyle and minimalist athletics. The Drive was designed with input from runners, hikers, biomechanics and minimalist specialists, plus physicians, retailers and customers. ~ 4.5oz average weight. (MSRP \$91) #29196W • www.kigofootwear.com

▲ The **GARMONT** Sticky 'n Fast Vented shoe is air-conditioned with highly breathable, abrasion-resistant mesh, protected by water-repellent suede and kept dry by a wicking inner cuff. Low-profile, high-contact Vibram 973 Sticky compound outsoles increase traction with a weightless feel. Seamless heel and lace-toe closure provide comfort and stability. (MSRP \$120) #18016 • www.garmontusa.com

▲ **KUAT RACKS** asks all outdoor enthusiasts a simple question - why limit yourself? With the Vagabond roof cargo carrier, you don't have to. The integration of bicycle skewer mounts as tie downs allow you to carry two bikes plus all of your essential cargo. (MSRP \$349) #PV140 • www.kuatracks.com
